

# Byte FAQ's

Q: Can I send eSign from Byte?

A: Yes

Q: Do the eSigned documents get returned to Byte?

A: Yes

Q: Does Byte support total eClose?

A: Hybrid1

Q: Can I request UCD directly from Byte?

A: No, this is not supported at this time

Q: Can I get my documents back as a DBK file?

A: No, DBK is not supported by Byte.

Q: Worksheet never gets imported into DocMagic Online and results in a double FATAL FATAL error message?

A: When documentReviewIndicator="Y" is passed, we do not save worksheet data. In essence, the "import" doesn't happen.
