MeridianLink/LendingQB FAQ's

Q: Can I send eSign from MeridianLink?

A: Yes

Q: Do the eSigned documents get returned to MeridianLink?

A: Yes

Q: Does MeridianLink support Total eClose?

A: Yes

Q: Can I request UCD directly from MeridianLink?

A: Yes.

Q: Can I get my documents back as a DBK file?

A: Yes.

Q: Can a lender access DocMagic's Stage environment from within the LOS?

A: Yes. A MeridianLink team member needs to enable that for the Lender on the MeridicanLink back end. Once MeridianLink enables that, the lender will need to work with MeridianLink to setup the DocMagic Stage integration just as they did for Production.
